Dear Sir.

I have just discovered an error in transcribing the account of Robt Jacob to be charged to B F Gourdey & C Cooperfield, having put down $11.680 73/100 instead of $10.680 73/100 which is the correct amount.

In June you charge C Jonette with $30 for one years annuity, but you do not designate whether it is the Elizabeth Jonette of Marion Burgh or the Elizabeth Jonette of Pendleton for they are both on the Pension Lists. Please inform me which was intended.

You charge W C Richardson Sheriff in June for Direct Tax Exons issued by Fulton Ballard $298 56/100 — upon adding up the Exons stated in the body of the receipt and I find they amount to $279 56/100 making a difference of $18 80/100. There must be some mistake, perhaps in copying an Exon or Exons may be omitted, will you investigate the matter and inform me of the result.

Very respectfully

Comptroller's Office
Charleston 3d Oct. 1845

Dear Sir

In your Report for September I observe a payment made to Elizabeth Smith of $30,- being for one Years Annuity. There are two Pensioners of that name who are designated in the Books of this office as follows — Elizr Smith of Pendleton — and Elizr Smith of Spartanburgh — The former was paid in May by Mr Steele J.C. and the latter, or one of the same name, was paid in June by I D Pleasico J.C. of York. Presuming that Elizr Smith of Spartanburgh had changed her residence to York I charged her accordingly with the amt paid by Mr Pleasico. Mr Smith has either been paid twice for the same year, or there has been a mistake in the name entered in your Report, and the Rect of the J.C. of York or of Spartanburgh. You will oblige me by immediately attending to the correction of this matter and report the same, as I am balancing my Books preparatory to the making up of my General Statement. Nancy Sanders, was paid in May, and again in Sept. She was entitled lower to two years Pension. Which was not the case with either of the Elizrs Smith's they having been regularly paid their Annuities for many years past. If you have not yet made your entries for Sept. I wish you would alter one Item in your Debits against the Treasury of Columbia, it is in the Case of Compensation to the distributors of the Militia and Patrol laws. In my Books I have Credited "Contingent Expenses" with the amount which supercedes the necessity of opening an account with

with Govr Aikin (I would be glad that our Books should correspond in this as in all other particulars.) By doing this you will perceive that there is no necessity for the Cross Entry, which you make in the latter part of your Report —
